# Tented Roof for Alton Mill Arts Centre's Annex Courtyard

**H**eadwaters Arts celebrated the installation of a three-season tented roof this summer, at Alton Mill Arts Centre. The roof structure covers the 3,800 sq. ft. stone foundation known as the Annex Courtyard. Ontario Trillium Foundation provided the grant to cover the cost of construction as well as other materials and personal protective equipment. "With this grant, together, under our newly tented roof, Headwaters Arts, our member artists and the Mill will recover and rebuild from

the impacts of COVID-19 over the next 12 months," says Margi Taylor, acting president for Headwaters Arts. The new space is intended to provide new opportunities for outdoor arts and culture programs, art shows, workshops, concerts and other events. Headwaters Arts promotes the development, appreciation and enjoyment of all the arts in the Headwaters Region. Ontario Trillium Foundation has supported Ontario's economic recovery by helping non-profit organizations to recover from the impacts of COVID-19.
